INTEGRATED COMPUTER SOLUTIONS, INC. RELOCATES CORPORATE HEADQUARTERS TO DOWNTOWN MONTGOMERY, ALABAMA

FOR IMMEDIATE RELEASE - Montgomery, AL, October 26, 2009

Integrated Computer Solutions, a leading provider of information security and technology consulting services, announced today that it will be relocating its corporate headquarters in late-November to 60 Commerce Street in Downtown Montgomery, Alabama. The new location will accommodate the company's current staff while allowing for further expansion.

"This move represents a positive step in the growth of our company," said Chip Schuneman, Chief Operating Officer of ICS, Inc. "Montgomery has consistently provided the ability to attract talented professionals to our team while offering all our team members a high quality of life at an advantageous cost of living. We are proud to support Montgomery's downtown revitalization efforts, while continuing to make ICS an even better place to work for our team members," he said.

Located in Montgomery, Alabama since its inception in 1997, ICS, Inc. is a premier information security and technology consulting firm with operating locations throughout the United States. ICS provides a robust portfolio of technology and information security services to an increasing number of Federal, State, and Fortune 1000 clients. The services that ICS offers include outsourcing, staff augmentation and support, network penetration testing, application vulnerability testing, disaster recovery and business continuity planning, risk assessments, WAN optimization, forensics, and incident response services.

"In selecting a new office, we wanted to be closer to our customers, improve team member commutes, provide a professional environment in which to work as well as provide access to first class amenities for our team and customers," Schuneman added. "The Commerce Street location in Downtown Montgomery offers all of that and more. We look forward to contributing to the revitalization initiatives going on within our city."

Recent statistics from the City of Montgomery and The Montgomery Area Chamber of Commerce indicate that Montgomery's downtown is home to over 57,000 daytime workers and over 110,000 residents live within 5 miles of the heart of Montgomery's downtown renaissance district.
